Subject: RE: Tentative Alon aquifer exemption meeting

Our party starts at 2:30 through the end of the day. Perhaps another day or in the morning? Or just fill State board in on the meeting. EPA can attend 12:30-2

Alan

If you need State Board staff there we have a schedule conflict since it coincides with our all-staff holiday festivities from 12-2PM. Can we move this conference call to 230?
